

The British Haiku Society, The Japanese Garden Society and
Japan Society North West present:

Haiku in the Garden

Saturday 30 June 2007

Visit Walkden Gardens in Sale for a unique combination of Haiku, Japanese gardens and Japanese food.

[Walkden Gardens](#) are public gardens managed by Trafford MBC, and which contain the Japanese garden built by members of the JGS over the last three years. The gardens are unusual in that they are laid out as a series of interconnecting garden rooms, each screened from the other by tall hedges.

Includes an introduction to Haiku, an introduction to Japanese gardens, a guided tour of the Japanese garden and a Japanese lunch prepared by JSNW member Takayasu Takemoto.
